

Garbage Ordinance Causes Council Argument

The question of enforcement of the Redwood City garbage ordinance, which at the last council meeting caused one impulsive resident to "swing" at the health officer, embroiled councilmen themselves in a verbal tussle Monday.

Councilman Walter Hilton said residents had complained to him because they were charged for a large garbage can only because they were unable to purchase the size needed. Councilman Chester Armstrong said he interpreted the ordinance as regulating charges by the amount of garbage rather than size of the can.

Rifficulties of determining the amount, City Mgr. Robert W. Mead said, made this method almost impossible. He said the problem had been solved in many cases by the resident putting a false bottom in the can to regulate the size.

Mead pointed out that in no case had rates been raised. The city has only enforced rates already on the books.

Nelle Miramontes, city assessor and collector, said most of the disputes had been settled and people on the whole had co-operated. She said there was really no room for complaints because charges here were lower than in many other nearby municipalities.

The council took no action on the complaints.

Mead reported to the council the steps taken to eliminate a public nuisance at 429 Howland St. An inspection by John Pickens representing the office of County Health Director Charles C. Gans revealed the owner, Olive Keompe, was keeping 9 dogs, six goats, 91 chickens, 15 ducks and other animals on the

premises. Rooms of the house were stacked with rubbish and one room filled with garbage. The premises were declared a health menace.

As the owner has no known relatives in the state, City Atty. Paul A. McCarthy said he would take steps, if it is adjudged necessary, to have a guardian appointed and would determine what must be done, so that the nuisance abatement proceedings could be started as quickly as possible without depriving the owner of any legal rights.

Health authorities have recommended razing the building

The council moved that abatement proceedings be started.

A request for permission to raise 5000 turkeys on a two acre section of the Friend Industrial tract, submitted to the council by C. L. Fisher of San Jose was referred to the health department.

The council unanimously adopted a resolution to abate the bootblack stand nuisance near 2069 Broadway.

Building Inspr. Laurie Duncan was authorized to remove the Weiner Building at Arguello and D Sts. on Oct. 11.

The matter of financial reports from the Redwood City Bus Line was carried on the agenda for the next meeting. Councilman Armstrong, member of a committee appointed to examine the bus line accounts and

help work out an arrangement for payments due the city, said a meeting of the committee would be held Oct. 13 to complete the examination.

Mead recommended the council accept the low bid of \$4627.50 of Peter Sorenson for cleaning and improving Redwood Creek. The council accepted the recommendation. Only other bid, put in by L. C. Smith, was for \$5336.20.

A request from duck hunters to use harbor waters as early as 5:30 in the morning during duck season, beginning Oct. 11 was granted with the restriction that hunters must have coast guard identification cards.

The council passed a motion authorizing payment of claims against the city in the amount of \$12,147.75.

Party Acts Secured

Seven big-time vaudeville acts have been secured for Saturday night's annual servicemen's party to be held in the boys' gymnasium at Sequoia High School as one of the major activities of the Redwood City Community Chest, party officials have announced.

There will be an hour and a half of vaudeville—11 numbers followed by 2½ hours of dancing, with music by Walter Rudolph and his Ice Follies orchestra.

Party officials today appealed for more hostesses for the party. Servicemen and hostesses do not have to pay admission. Civilians attending the affair will have to purchase tickets costing 75 cents each prior to the party. No tickets will be sold at the door.

There are only a few tickets left, officials stated today. Tickets may be secured at any Redwood City bank, at Holmquist Hardware, Terrell's Market, Miller's Stationery Store, Mitchell's Bootery, Yorkshire Clothes or at the Tribune until Wednesday.

Damage Suit Results From Alleged Attack

An alleged attack by a 150-pound Great Dane in Atherton on July 24 has resulted in a \$5000 damage suit. Eva Krietsberg, a domestic cook, charged in a complaint filed in superior court at Redwood City today that the dog owned by Samuel Lilienthal, Atherton Ave., Atherton, knocked her down and bit her right hand, causing her nervous system to be shattered.

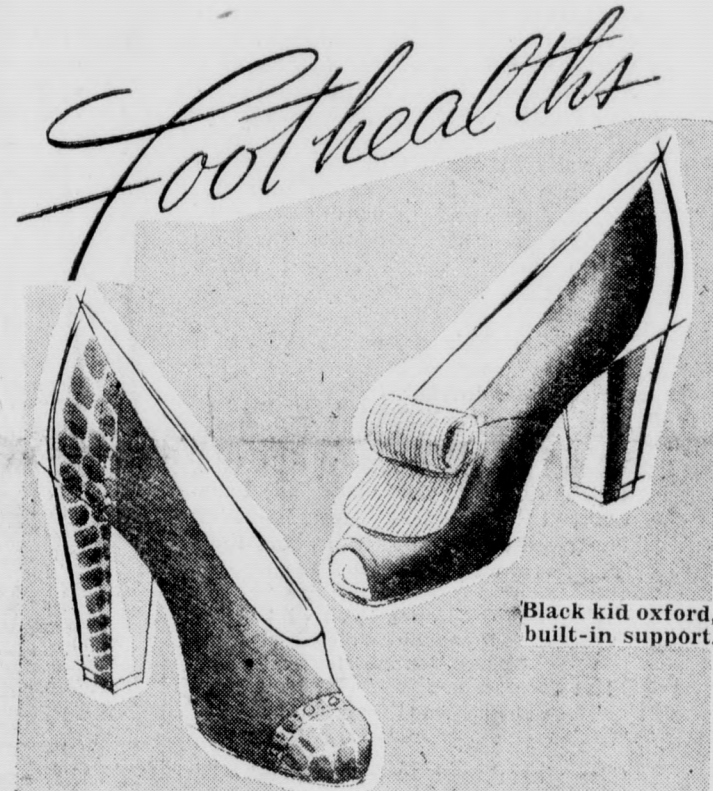

PT&T Contributes To War Fund

Pres. N. R. Powley, of The Pacific Telephone and Telegraph Co., announced today that the board of directors has approved an \$85,000 contribution to the war fund as well as continuance of the payment to the Community Chest as heretofore made in amount approximately \$50,000—therefore, the total contribution for the war front and the home front amounts to \$135,000.

Tobacco Firm To Open Campaign

Emphasizing the basic idea that "They Satisfy" is not a slogan but a fact, Liggett & Myers Tobacco Co. opens its fall campaign of Chesterfield newspaper advertising in daily papers from coast to coast on Oct. 11, continuing on to the Christmas holiday season.

For many years the phrase "They Satisfy" has been almost a synonym for Chesterfield, because it sums up tersely what Chesterfield has always aimed to do—namely, to give smokers the last word in complete smoking pleasure.

Under the headline "Dependable As Your Daily Newspaper," the first advertisement says: "You light up a cigarette, unfold your newspaper and the news of the world unfolds before your eyes. You depend on the printed word to keep you up to the minute on everything that counts," and makes the final point by stating that smokers depend on Chesterfield for everything that counts in a cigarette.

As this campaign concludes in December, the last advertisement features a happy Santa Claus bringing joy to the world with the cheerful red Chesterfield Christmas cartoon which has come to be the annual symbol of holiday cheer with smokers everywhere—a Christmas gift which in the words of the advertisement is "As Dependable as Santa Claus" and which never fails to satisfy.

Postal Business Rushing in R.C.

Redwood City Post Office is doing a rush business in packages for servicemen overseas, Postmaster Robert E. O'Connell, reported today.

The packages are coming in through the post office has been able to put them through without delay so far. O'Connell urged residents to get their packages in the mails as soon as possible before the Oct. 15 army deadline to avoid a last minute rush.

Maximum weight for any one package is five pounds. They must not be more than 15 inches long or more than 36 inches in combined length and girth.

Each parcel must be clearly labeled "Christmas Gift Parcel." Army mail service officials ask that a strong packing box be used, and if various small items are sent together, each must be wrapped separately.

SEQUOIA: Cadet Corps at High School Will Offer Preinduction Student Training

Organization of a Sequoia High School cadet corps, a preinduction course, was announced today by Supt. A. C. Argo, in compliance with a new state legislation making it compulsory for high schools to offer military training if enough students want it. Instruction will include close order and extended drill, map

reading, manual of arms, military courtesy, regulation and other basic military training. The instructor, Gym Teacher Harold Dimick, saw action in the First World War as a lieutenant, and has recently completed a refreshed military course at the University of California. Although no guns or uniforms

will be provided, much can be gained from the course, which will not take the place of the regular two weeks of gym close order drill, Dimick feels. Sequoia PTA will hold its first meeting Oct. 12 at 2 p.m. in the girls' clubroom, with Mrs. J. J. Garland guest speaker. Mrs. Garland, who is the first vice

president of the California Congress of Parents and Teachers, will speak on "What's on the Beam?"

An overview of Sequoia will be given by Supt. A. C. Argo and S. S. Mayo, night school principal. Musical numbers will be included in the program.

Opening the 1943-44 stamp drive, Sequoia students purchased over \$2600 worth of war bonds and stamps last week. However, only 64 per cent of the

student body aided in the drive, made the best record, four of them reaching 100 per cent, and one reaching 98 per cent.

Penicillin, a drug that has saved many lives on the battlefield, may be made in the science class, Mrs. Anne Bigler, biology teacher, announced. Sophomore Bob Feldcher is going to try to make some penicillin by an old method used by Fleming, discoverer of the drug in 1929.

The 250,000th ticket recently was purchased at Cave of the Mounds, Blue Mounds, Wis.

Matter under the Act of March 3, 1879.Firemen Extinguish Blaze
At National Motor Bearing

A fire which threatened the workshop in the National Motor Bearing Co. at 4:15 a.m. Sunday morning was extinguished by an automatic sprinkling system in the plant, Redwood City firemen revealed today.

Fire Chief Mark E. Ryan said three trucks responded and hoses were laid, but when the building was entered the fire was out. Damage was confined to a blackened wall and burning of a few pieces of lumber stock.

Company officials said today that discovery of a pair of burned overalls at the spot where the fire originated led them to be-

lieve that a rat had gnawed matches thought to have been left in one of the pockets.

Redwood City Fire Department responded to three other blazes over the week end. At 2:37 a.m. Sunday morning the department extinguished a fire in a car parked in a driveway near the corner of Spruce and Stambaugh Sts. Fire Chief Ryan said the body of the car was badly damaged and the top was burned through. Cause was not known. There was no one in the car at the time.

At 4:43 a.m., while firemen were at the National Motor Bearing Co., an alarm came in from Whipple Rd. and Duane St. The blaze, a bonfire which had flared up from hot embers, was extinguished in a few minutes.

A small grass fire near the intersection of Lathrop and Elm Sts. at 6:40 p.m. Saturday was brought under control in a few minutes. There was no damage.

San Carlos
Salvage
Progresses

SAN CARLOS—As a result of efforts of the salvage committee, headed by Fred Drake, 11 barrels of shoes have been sent to the Salvation Army and 118,140 pounds of tin cans have been sent to the detinning plant for war purposes.

A war emergency fund is being constantly built up, Drake said, and wearing apparel is always appreciated at the salvage shop.

Several members of the committee have worked constantly in the salvage shop and yard, donating their time, since their establishment in March of last year.

James McDonald, who works in the yard, has given 2380 hours. Other members of the shop committee are Mrs. Lena Soward, 992 hours; Mrs. Sarah Yearling, 990; Mrs. Eleanor Gover, 886; Mrs. Maud Lemis, 620; Mrs. Etta Lewis, 562; Mrs. Elizabeth Dungan, 529; Drake himself has given over 3000 hours.

The shop sells any usable articles for about 5 to 10 cents on the dollar. On this basis, Drake figures that the committee has handled more than \$30,000 worth of merchandise.

Elinor Falvey
Hears from Kin

Miss Elinor Falvey, deputy district attorney who with her sister, Miss Dolorita Falvey, principal of the Lawrence School at San Mateo, resides at 818 B St., San Mateo, today had received the first word in two years from her brother, Rev. Mark A. Falvey, S. J., a missionary in China.

The message, delivered by the Red Cross office at San Mateo, said that Reverend Falvey, who had been at a Catholic mission at Chuten, China, 200 miles north of Shanghai was with French-Canadian Jesuits. He has been in China 10 years.

Whether or not Reverend Falvey is a prisoner of the Japanese was not ascertained from the cablegram, but Miss Elinor Falvey said he probably was since the cablegram was sent by the Red Cross and in the message he stated he was "comfortable." Miss Falvey said she did not believe he would have used the word "comfortable" if he had not been interned.

The cablegram took 11 months to reach here. It was dated Nov. 6, 1942. The last the Falvey sisters had heard from their brother was in October, 1941. Miss Falvey said she did not know whether her brother had learned of the death of their mother, Mrs. Mary Laurentine Falvey, who died in San Mateo Aug. 6, 1942.

R.C. Boy Plays
In S.F. Performance

James West, youngster from Redwood City, recently added another successful appearance to his list of stage performances with the conclusion of the run of John Galsworthy's "Old English," starring C. Aubrey Smith, in San Francisco.

West played the "brat roll" of "Jock," one of Sylvius Heythorpe's grandchildren.

The young actor was born at Emerald Lake where his father and mother have their home. He attended Lincoln School and later at Cary School in San Mateo. When Victor Moore starred in "On Borrowed Time" in San Francisco, West played the part of "Pud."

HOSPITALITY: San Carlos
Applies for USO Assistance

SAN CARLOS—Application for national USO funds has been made by the Hospitality House committee in an effort to keep the house functioning through the coming year, following action at a meeting of committee members and C. W. Reynolds, associate regional executive of West Coast USO offices in San Francisco, at the Lloyd Tobey home on Carmelita Dr. Monday night. Monthly budget has been submitted and sent to the national USO office at New York, and answer as to acceptance will come by Nov. 1, Reynolds believes.

Two resolutions were made by the committee at the meeting: that the house was to affiliate with the USO and will be known as the San Carlos USO Committee and USO Club, and that it

was to apply to the USO for a grant in aid to help meet needs of the club.

The group voted also to enlarge the committee, nine members at present, in an effort to be more representative of the community.

Present at the meeting were Chmn. Lloyd Tobey, Mrs. Genevieve Lubert, secretary, Mrs. L. L. Horning, treasurer, Horace Manion, Mrs. P. J. O'Meara, Mr. and Mrs. Truman Waterman, Mrs. W. H. Penat, Mrs. Willis Donnan and Mrs. R. J. Mathewson.

Menlo Park Dance
Reported Successful

Ed Wickstrom, member of the ticket committee for the Menlo Park Firemen's dance reported today the dance was a financial success. The dance is held annually and proceeds go to a widows and orphans' fund for Menlo Park Fire District.

Canteen
To Reopen

The Red Cross Canteen is re-opened this week, Mrs. William A. Baxter, Red Cross publicity chairman, announced this morning.

Because of the lack of volunteers and the food shortages, the canteen will be open only to officials and volunteers of the city, county and the ration board. Lunches will be limited to serving 30 people.

The canteen will be open on Tuesdays, Wednesdays, Thursdays and Fridays.

"We regret that we will not be able to serve the general public at this time," Mrs. Baxter said.

Relief At Last
For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel zern laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
